

Team Schedules and Bracket Schedules for Debate and Bible Quiz

Students should work to do their individual performances around these times. If students see a conflict with other schedules, they should work with judges to make adjustments in areas that are individual performances (music, speech, teaching, preaching) to avoid delaying rounds for team competitions. The schedule allows for a 5-10 minute delay, but after that, judges will need to continue with the schedule, which may cause a team to forfeit. Forfeiture may also happen in chess if students do not report conflicts to the chess master. GSACS has worked hard to eliminate as many conflicts as possible.
