

Statement of Originality for Academic Writing Competition

“I certify that this submission is entirely my original work and that I received no help in completing this project other than general instruction and supervision. Except for pre-writing research, I did not use any AI tools or software to create or edit my writing submission. I did not enter the writing prompt in AI software to assist me. When writing, I followed conscientiously the instructions regarding the use, limitations, or prohibition of AI tools. I did not have a teacher or adult type my final draft.”
